POINTS LOST 31	THRESHOLD 30	POINTS NOW 0	Everyone starts each month on 15 points. Discipline is measured on a rolling 60 days, not the calendar month, so this covers Aug 7, 2026 to Oct 6, 2026. 14 more points lost in this window reaches termination.

THE STANDARD THAT WAS NOT MET

Loyalty — We value trust, commitment, and dedication in our relationships with our team, customers, and company. We work to create security, solidarity, and lasting connections.

Each item above is listed on the Performance Points sheet posted in the break room.

IMPACT ON THE BUSINESS, THE CREW AND OUR CUSTOMERS

SCHEDULING	A crew cannot leave the shop until everyone is there. One late start pushes the first job back and every job behind it moves with it, so a delay at seven in the morning is still being felt at the last job of the day.
CUSTOMERS	Customers tell each other and they tell Google. A complaint or a claim costs us the review, the repeat booking and the referrals that would have followed it, long after the job itself is forgotten.
THE CREW	When someone does not turn up the work does not disappear, it lands on the people who did. They carry the heavier end all day, and they notice who left them to it.
FINANCIAL	Claims are deducted from the revenue share pool before it is divided, so this does not only cost the company. It comes out of what every mover on the board is paid that month, including the people who had nothing to do with it.

PREVIOUS DISCUSSIONS OR WARNINGS ON THIS SUBJECT

Written warning issued 19 September 2026 after reaching 15 points. Verbal 2 September about calling off without notice.

WHAT MUST CHANGE

Return from suspension able to be relied on: at the shop on time, every shift, and a phone call to Matthew before the start of any shift you cannot make. Nothing about a customer job is to reach Andrew before it reaches Matthew.

Failure to show immediate and sustained improvement will result in further disciplinary action up to and including termination. Nothing in this notice creates any guarantee of employment for a specific period of time or in any way modifies your at-will employment relationship.
