THE STANDARD THAT WAS NOT MET

Accountability — We take ownership of every relocation project assigned to us and accept responsibility for our actions and decisions. When we make a mistake, we own it, make it right, and learn from it.
--

Each item above is listed on the Performance Points sheet posted in the break room.

IMPACT ON THE BUSINESS, THE CREW OR OUR CUSTOMERS

Trucks going out unstocked and untidy costs the crew time on site and it is the first thing a customer sees when the doors open.
--

PREVIOUS DISCUSSIONS OR WARNINGS ON THIS SUBJECT

Spoken to on 26 August and again on 17 September about truck condition.

WHAT MUST CHANGE

Restock and check the truck at the end of every shift, and complete the pre-inspection walkthrough properly before leaving the shop. No vaping or smoking anywhere a customer can see you.

Failure to show immediate and sustained improvement will result in further disciplinary action up to and including termination. Nothing in this notice creates any guarantee of employment for a specific period of time or in any way modifies your at-will employment relationship.
